

## Value-Added Benefits

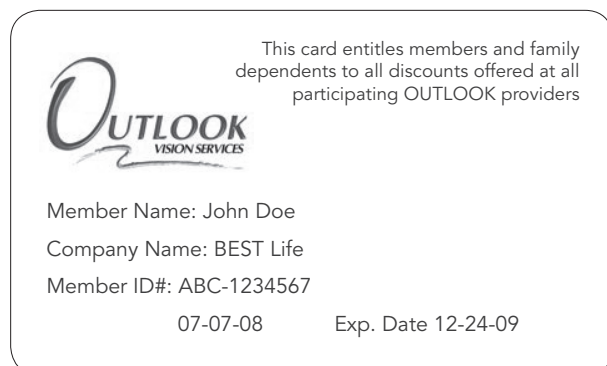

As a BEST Life customer, your vision/high deductible health plan comes with value-added discount programs that can help provide cost-savings to your employees. These programs are automatically available to those employees who enroll in a BEST Life vision or high deductible health plan, at no additional charge to your company.

Below are an explanation of each program, how services can be used, and what you can expect from each. If you have any more questions or need assistance, please contact our Customer Service Department at **800.433.0088** or via email at **cs@bestlife.com**.

### ■ OUTLOOK VISION DISCOUNT CARD

BEST Life provides an Outlook Vision Discount Card with our vision and high deductible health plan coverage. This discount program offers access to over 10,500 optical centers and 10% to 50% off the regular retail price of eyeglasses, contact lenses, sunglasses, and corrective surgery.

An Outlook Vision Discount Card will be required to obtain discounts. Outlook Vision Discount Cards are sent as a separate mailing and you may receive these cards after BEST Life's vision/medical ID cards are issued. Each card will list the member BEST Life enrolled in the program, as well as the company name and the discount program effective and expiration date. See illustration below.

Once members have received their Outlook card, they can take advantage of these discounts by logging onto **www.outlookvision.com** to locate a vision care provider within the Outlook network.

### ■ LASER EYE SURGERY DISCOUNTS

All BEST Life members are automatically eligible to receive 40 - 50% off the national average charge for laser eye surgery procedures administered by QualSight.

To receive these discounts, your employees just call **877.507.4448** before seeing any LASIK provider. They will need to identify themselves as a BEST Life plan member and will be assigned a Care Manager who will answer all their questions and walk them through the laser vision scheduling and treatment process.
